

Privacy collection notice: AssureInvest Pty Ltd

Introduction

AssureInvest respects the privacy of your personal information.

This Notice applies to personal information collected by AssureInvest in relation to its financial services business. We would normally collect such information as name, email address, phone number, employer and position with employer from the individuals who contact us on behalf of corporate entities, whether that is by phone, email or telephone. If you access our website, we may collect additional personal information about you in the form of your IP address and domain name.

Purpose of collection

Such personal information is collected by AssureInvest for the purpose of contacting its customers in relation to the services provided by us, including to ensure customers are provided with Information about changes and/or matters affecting the services we provide.

If persons contacting us choose not to provide personal information then it may not be possible for AssureInvest to provide them with its services.

Disclosure of personal information

We will not share this information with other persons, whether in Australia or overseas. Any personal information that we hold will be held within Australia except to the extent that it may be contained in back ups to our computer systems which may be held on servers outside Australia. It is not possible to identify which countries outside Australia might be involved.

Other issues covered in our privacy policy.

Our privacy policy contains information about how you may access personal information about you that is held by AssureInvest and seek the correction of such information. It also contains information about how an individual may complain about a breach of the Australian Privacy Principles, or a registered APP code (if any) that binds AssureInvest, and how we will deal with such a complaint.
